TO: Manuel Bourlas DATE: August 14, 1989

FROM: Lee Pollak LP

SUBJECT: Method For Testing Channel Ventilated Cigarettes

Here is the memo I mentioned to you on Friday.

You may have trouble reading Geoff's note in the lower right hand corner, but the main point is that he wants to know our strategy for the September 9 Interlaken meeting and thereafter. Per our conversation, I will look forward to seeing your memo tomorrow addressing the different issues we discussed.
